“ I never met Krista but by the things her family and friends said about her you can tell she was a sweet girl. She liked the rapper king von and loved the song “Jew on da canoe” I think it was called. She was beautiful and had a very bright future ahead of her that sadly she will not be able to see. Her smile could light up a room and even though i was not able to witness it you could just tell. She was loved by many and now that she can not any more memories we will continue to carry her memory with us every where we go. #LLK□

“ *Krista was one of the funniest people I've ever met. Every morning going to classes Krista would walk by hug me or tap me somewhere and it was just so funny and I miss it already. I remember picking her up for school or something and she would make me late but it didn't matter because I loved mornings with Krissy. I loved just being able to call her and vent because she was always available. Prom was fun with her, i chatted with her a couple of times and she looked so beautiful.*
