“ *Jim, Steve and Mike. So sorry for your loss. I remember her well, and your dad too for that matter.*

You had your mom for a lot of years and even though it doesn't make it any easier, she had a good life.

My prayers are with you all and your families

“ *My condolences to the whole family. What I remember best about Leona was the delicious fried chicken we would have at Roger's café after church on Sundays when I was a kid. You were blessed to have your mom for so many years. I heard about your loss because I am friends with Cammie Shepherd -- through one of those "small world" moments I found out that Cammie had ties to Bowling Green. We are members of the same church as Cammie and Mark.*

Sorry about your loss! Warm memories of your Mom and Dad on the Bowling Green farm. In my early college years, just before Army, double dated with them! God Bless you and your families,
