“ I am so sorry to lose a friend like Marilyn. I hope these words will encourage all of us.

*My version - In the words of the G-R-E-A-T Smokey Robinson:*

*It's really gonna be different without her. Time is gonna be hard and slow.*

*For the rest of our lives, We're gonna be thinking about her  
Time came when she had to go*

*We'll miss our buddy. We'll miss our friend.  
Even though we know this is not the end.  
There will come a time when we'll see her again.*

*We long for the time when we'll run a mile.  
Laughing and dancing all the while.*
