“ So sorry for your loss. She was just the greatest, sweetest lady. I had many visits with her at the funeral home, grocery and stores. She was faithful to care for the cemetery. I'm sure she was probably independent but that may have helped keep her going. I know it did for my dad. You are in our prayers. Love John and Cathy Veach

“ The littlest woman with the biggest heart anyone has ever seen. Mom (Marjorie) was a perfect example of "The Greatest Generation". Always asking about you and making you feel special. Never thinking about herself, but instead asking what you needed. An incredible cook with the best homemade chicken and dumplings and carrot cake on this planet. A gardening green thumb without parallel, as her clematis' were the finest I have ever seen. She loved the wrens in her garden and always made them a home. The world is a lesser place without you Mom, but I know you are in heaven with Al, Mark and all the puppies are licking your nose. Love you and miss you.....
