“*Janice, I am deeply saddened to hear of your loss. Time has passed since the Christian NW lab days and I still have very fond memories. Mark had a great sense of humor and I always had a good time hanging out with him. My prayers to you and all of your family.*

Oh my, John, thank you for your kind words. It's been a long long time. In fact last Saturday was our wedding anniversary. May 12 would have been 39 years. Where do you live and how in the world did you hear this news?

“ A long time ago, when Jim Gott was in the Lions club, they had a box supper where I took a boxed meal and the Lions members bid on the boxes and had to eat the meal with the person who fixed it. I remember making fried chicken and all of the trimmings and pie for desert. Mark bought my meal and ate with me. I think he was a little embarrassed eating with me but really enjoyed the meal. I remember Jim bid on a box that had a sandwich, bag of chips and a ding doing or something like it. Jim was unhappy because Mark was enjoying his meal. Lol. Good memories. Mark was a nice guy.

“ *Mark is one of those souls that's just good to the core. He never liked to make a big deal out of his accomplishments and there were many. To do what he did career wise with the dedication he did — that's courage !*

When his name comes to my mind a smile always comes on my face and a warmth appears in my heart. That will never change. Love you young man. Give your Uncle Leo and your mom and dad and all the others we know in heaven big hugs from me ok? (Especially grandma Josephine whose name I carry yet never got to meet).

“ *I remember when Mark first joined the Harvey family, everyone had been so protective of Janice, being the baby, so we all looked him over pretty good. He quickly fit in and was always supportive of all the family members. I hadn't seen Mark for quite awhile, but recently saw him at a gas station in Bowling Green, we had a good visit and caught up on family. I am glad for that visit. My heart goes out to Janice and kids as they work through this time of sorrow. One thing I know for sure, he and Jimmie are having a good laugh right about now.*

“ *In the few years Marlin and Josie knew Mark and Janice will always hold pleasant memories. From camping with them to road trips to watching KU games at our house together and eating popcorn to quiet nights at their house sitting around a big fire Mark would build while Marlin would serenade us with his guitar. May peace be with you Mark.*

“ *Words are extremely hard to come by at this time. I have so many childhood memories with the Wunderlich family with Mark being a big influence on my life. The countless hours he spent driving us back and forth to swim practice. Then the swim meets, he was always there cheering us on. I can still picture him now standing, giving us strong words of encouragement at each turn in the pool. The many nights I spent at the house and often times standing in the kitchen just talking. I always felt like I was one of his own. After I graduated, I didn't get to see Mark too often but when I did it was always that huge smile and somehow a laugh would be made during our conversation. About a year ago, I randomly drove by his house and ended up staying for well over an hour. I had some of my children with me and he joked with them just like he did to me. I am thankful for that memory and the time we shared that day. Hugs to everyone in the Wunderlich family. No doubt your heart is breaking, as a piece of mine has broken too.*

“ I will always be proud of my big brother and eternally grateful to him for being a role model and inspiration. By example, Mark taught me to always work hard, keep raising the bar, and stay true to your goals.

From early on, I can remember Mark as being driven to make something of his life. He worked hard at building a career and bettering the quality of life for his wife and children. Mark loved his family and worked hard at being the stable rock that they all could rely on. Mark wasn't satisfied with just doing enough to get by. He continuously worked hard at advancing his career. Going back to the beginning as an EMT at Christian Hospital, then on to nursing, becoming a paramedic with the fire department, and eventually transitioning to a firefighter and then to a fire captain. At one point he flirted with pursuing anesthesiology. All I could think then, was that there are no limits to how far he might go. I am truly blessed to have not just one, but both my big brothers as true mentors to me in my life. But the true credit for the success of all three of us belongs to our loving parents for their love and constant support. Mom and Dad were always very proud of Mark and his accomplishments. I have faith that Mark is home again in heaven and the three of them are in each other's company right now.

I reflect back to my sixth or seventh grade year when Mark and his closest childhood friend Steve DeFreies were my CYC baseball coaches. That year we went all the way to winning the state championship. In more recent time I often recall fondly some years back, the day Mark and I had a chance to spend the afternoon riding motorcycles along the river road to Grafton, IL. We had a really good brother to brother talk at the loading dock. He mentioned how we should try to make more time for each other. That day made me very happy. It saddens me that we were unable to actually make that happen. I wish we could have been able to have done that more.

Romans 8:38-39

“For I am persuaded, that neither death, nor life, nor angel, nor principalities, nor power, nor things present, nor things to come, Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.”

You will be missed, loved, and remembered daily in my families nightly prayer. I take comfort in knowing we will see each other again. I love you Mark. Your little bro.

“*Favorite memory with Mark- Playing out in the fields with the cows at Grandpa's farm. We had a blast---until dusk and then here comes the parents, in cars driving across the fields, fearful that we were lost! I had no worries, I told them all... Mark had been a Boy Scout!!! I will miss that smile and laugh- such a genuinely warm guy and great older cousin♥♥!!*

“ *My heart goes out to your whole family. So sorry for your loss. Mark was a wonderful person. My favorite memories of him involve the trailer always loaded down with plants. He took such good care of them. Pulled out the trailer during the day for sun, and put them back in if the weather was going to be bad. I know he will be greatly missed. Hugs, Tina*
