“ I am so shocked. I didn't know she was that ill. I talked to her twice this summer hoping to see her at the July SHS reunion and then I heard she was not doing well but she sounded just like the old Mary Ann I knew. We had a lot of fun when we got together. I remember riding horses from my house east of Corso, north across Cuivre towards her home over to Hwy Z and back. Then I took a bus to Springfield Illinois after graduation and visited the Lincoln Memorial with her. She was a lot of fun. I hate to hear of her loss.

“ Doris. I was shocked when I saw an obituary for Sister Mary, in the People's Tribune. Oh how I wish you would have called me. I had no idea that she had gotten down. I had talked to her and she told me she was taking more treatments. She had such a good outlook about her sickness. I loved her like a Sister and we called each other sisters. She was like Family to our Family. I will miss her so much. I hope she still realized that. Now, at least she's in no more pain. You have my deepest sympathy, as she thought the world of you. My prayers are with you.

“ I am so sorry to hear of Mary Ann's passing. I thought she was the coolest, when I would spend the night with Joyce at their parent's home. My thoughts and prayers are with Joyce and her family at this time. Tina

“ Mary Ann was a very special woman who could make friends with every single person who walked in the door. Her fun personality and jokes will be greatly missed.
