Tribute Wall

“ I will always remember hearing her unique little giggle. I've always thought it sounded so sweet. She sent me a "Get Well" card when I was in the Hospital, with pneumonia as a very little girl, it was an 'interactive' card, with a 'dial' on it to express how you were "Feeling".....I loved her for being so thoughtful and showing her love & care for me. I remember when I had a terrible bike accident, she helped clean me up. I remember the worried, concerned look on her face. She genuinely cared about me. I looked forward to seeing her & Uncle Richard come over for coffee on Saturdays @ 10 a.m. It became routine. I enjoyed working with her at my Gramma's Nursing Home. She was gentle natured with the residents and she could persuade them to calm down easily. She was a very Sweet Lady and she will be truly missed by ALL that knew her. If I still had that "Get Well" Card...the Dial would be at "Sad" ...My heart is very sad today. I know she is at Peace & Love surrounds her. I've Always Loved You Aunt Mary Jane.

“ Though we haven't seen each other over the last few years I loved you always, you and Uncle Rich have been in my thoughts and prayers. I loved coming to your house when you lived in Round lake Beach. Once you cut a potato in half and put it in a bowl of water. I kept waiting to see little potatoes growing on it!
Rest in peace Mary Jane. I'll keep your family in my prayers.
