“ *Comforting arms that gave great soft hugs, delicious food cooked with love, love and detail poured into her crafts that she gave so kindly. A tidy clean house, the parakeet, wonderful doll collection to accompany the elephant collection of Uncle Walter's. A warm and friendly smile. These are the memories that I carry with me of my Great-Aunt Maxine. She made the world a brighter place with her calm presence.*

“ *Dear Gayle , our prayers are with you and the family at this time. As a little girl, I always enjoyed visiting with Uncle Earl and Aunt Maxine. I like many others were just fascinated by their parakeet and of course Maxines dolls. I went and visited with Maxine a year or two ago and took her a little shelf sitter of some kind for her room. All our love, Sharon (Smith) O'Neill.*
