“ I was blessed to have known Mike as a friend, a confident, and a mentor. He had a great engineering brain, could fix anything, and was a carpenter as well. He was courageous throughout his entire life, always giving to others and never giving up. I will never forget his sense of humor and his friendship. He was a fair and just man and I’m happy to have had our paths cross in this life. Sending blessings to Mike’s family. May Mike rest in peace. He will be missed.
