

Michael Terrell Randall

February 27, 1980 - May 3, 2021

Michael Terrell Randall, 41, of Bowling Green passed away peacefully on May 3, 2021 at his home.

Bibb-Veach Funeral home is handling the cremation rites. A memorial service will be held at a later date.

Michael was the youngest child of James R. and Janet Ledell Randall. He was born February 27, 1980 in St. Louis, Missouri. His father preceded him in death.

Michael spent his younger years living with his family in St. Louis County. The family later moved to the Moscow Mills/Troy area. Michael graduated from Troy High School. He then attended and graduated from a Community College, studying computer technology. Michael enjoyed working on computers and gaming. He also loved fishing and spent years learning to play guitar. In high school, he was a weightlifter, and was given the nickname "Bear" by his classmates. Michael was always sure to take the time to check on his mom, who he lovingly referred to as "Boss". He loved to joke and make people smile.

As one of Jehovah's Witnesses, Michael dedicated his life to doing God's will and sharing the Bible's hope for the future, "God...will wipe out every tear

from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away” – Revelation 21:3.4.

Michael is survived by his mother, Janet; a brother, James “Ray” Randall (Sharon); and two sisters, Lynda Randall and Dana Randall; along with many nieces, nephews, cousins, and friends.

He was preceded in death by his father, James; and a sister, Fern Williams.

Just a little while longer and we will see our dear brother again. We send love and please know you are all in our thoughts and prayers.

Michael came to visit me in hosp way down in St. Louis . It warmed my heart as he was so young and I so old that he'd take time on Sunday afternoon to drive so far to come visit me. I told him I appreciated it and he gave a warm smile
