“ *Though I had only been in Monte's employ for 9 months, I came to respect him and will certainly miss his presence in the office. He was one of the best bosses I've ever had, very patient, kind, and generous. The office is way too quiet without him there! :) My prayers are with the Hoover family now and in the days to come.*

“ *I spent much time trying to post this for Monte Hoover. Couldn't get it to post. Would you please post it for me. To the family of Monte Hoover, Some of you I have never met, some I have not seen in awhile, just like I had not seen Monte in years. I am one of his first cousins (dad's are brothers) and I remember as a child we use to go to Raymond's and I would hang out with Monte (same age) and Roger the most. I was so sorry to hear of his passing. I pray that the memories each of you have will help you get through this time of sorrow and in the future. Remember the good times and hold him close in your heart He has now gone to his heavenly home and has reunited with his parents and other members of his family as all of us will do someday. May the Lord bless each of you.*

“ *Diana and Nathan my heart breaks for you both. Every time I would visit Kim at the office Monte would always joke around and often pick on me. He was always laughing and joking. After Kim passed away he would often call my mom and myself to see how we were doing. He was truly a very special and caring man. Your family is in our prayers.*
