“ Nate was a devoted father and husband. He lived to see his children smile. I met him through my husband (he is his cousin) about 5 years ago. I have too many wonderful memories to mention, but i know I'll never forget him and I'm truly blessed to have known him.

“ Met Nathan's dad when he was about 10 years old. Knew his mom from the time she was maybe a young teen. Met Nathan at Oregon camp about 19 years ago this month. He was in ROTC and looked to have a bright future. Life has many choices that end the day our breath leaves our body. Condolences to all who knew him.

“ i am sorry for the loss but you must know he is now in the most beautiful p[lace ever!! and i know he s loving it :] he has his wings and he s flying high :] must remember that by time you leave to join him no matter the years he has only had a mere fraction of a second since he s walked out of the room and no time in his time with his heavenly time away to have missed you--we are the ones grieving thats left behind while he is being greeted by family before him in the presence of our LORD :] can t get much better than that even though he shall be missed by many left behind--he will rejoice in his forever home and be there loving all beauty thats to behold :] again-i am sorry for your loss.
