I did not know this young man. I didn't need to know him to feel saddened by his loss of life. He died down the road from my house, and I came upon the wreckage that night. I lost a daughter the same way, and my heart just broke for his parents. A nightmare that no parent should ever suffer. I am so so very sorry for your loss. Prayers for strength to get you through this difficult time.

What a beautiful tribute to Nick. He always had such a good heart. This video made me laugh and made me cry. But mostly brought back many fond memories of your handsome Nick. I know Abbi welcomed him with open arms. They were such good friends. So very sorry for your tremendous loss. Hugs and prayers your way. If you ever need to talk, I'm here.

“ Dear Eric and Family, I was so sorry to hear the news of your son. Although I didn't know him, I know how I would feel if this ever happened to one of my children and my heart goes out to you. There isn't much that a person can say at a time like this except to gently remind you that one day your warm and loving memories will start to ease the heartbreaking grief, hopefully you can take some comfort in that thought. I will be praying for you and your Family and your Son.

“ A wonderful young man who was willing to help so many others without even being asked. You were a great help many times to the older residents of the neighborhood. My wife and I have personally been recipients of your help and were very grateful. Always polite, courteous and willing to do more than requested always ready to be there for anyone. You will be missed so much. You were a gregarious and sweet young man. Thank you for being our friend.
