“ My sincere sympathies to the family. I so admired Mrs. Lindsay while at the church camps while I grew up. She helped me in the swimming pool at camp and always made me feel "special and good" inside. She has stayed in my memory bank all these years as being a most wonderful lady. I thank the Lord for her being a "friend" to me at my young age of 12. Praises to her life here on Earth and blessings for her daily walk in Heaven. from Alice (Worthington) Tinklenberg, Quincy, IL.

“ I remember when she worked in the kitchen at the Hope center. And I teased her that I better be careful I spelled everything correctly because I didn't want her to have to correct me. Of course I was only joking and she enjoyed the joke as well.
