“ *Pauline was indeed a special lady. Loved working with her and visiting with her. Pauline had unconditional love for her family and everyone she knew. She was always such a dear friend to my mom and always called my mom to chat. My mom loved those chats. I know now they are having really good chats in heaven together. RIP dear lady.*

“ *Jim and I will truly miss Pauline. She was an energetic, fun loving, hard working lady. Her family was blessed to have her. Her friends were lucky to have known her. I will miss her phone calls always starting out with " and how is Myrna doing"?When I first visited Paulines home almost 20 years ago the thing I always remember is the wall of love. One photo after another of her family filling almost the length of the room. We will miss her.
