

Randy Lee Bruemleve

July 23, 1965 - November 1, 2025

Mr. Randy Lee Bruemleve, age 60, of Bowling Green, MO. passed away peacefully on Saturday, November 1, 2025, at his home in Bowling Green, MO. He was born on July 23, 1965, in St. Louis, MO, to Ronald and Eula (Masters) Bruemleve Sr. He graduated from Lincoln County R-II High School, Elsberry, MO, in 1983. Professionally, Randy was the co-owner of Ron & Randy's Autobody for 10 Years. After the body shop closed, he worked as a civilian in Iraq, driving a semi-truck "outside the wire" for the United States Military. Later in life, he utilized his mechanical education to repair boat engines along the southwest coast.

Randy's love of driving took him from 2 wheels near the beaches of North Carolina and Florida, to 18 wheels in the deserts of Iraq. He was a true highwayman. He enjoyed playing with his grandkids and building forts to have popcorn and watch a movie in. He never met a stranger; with a mustachioed smile and a story to share with everyone he talked to.

Randy is survived by his daughter Randilee Bruemleve of Bowling Green, MO; his mother Eula (Masters) Bruemleve of Bowling Green, MO; 3 grandchildren: Alex, Liam, Evelyn; 2 brothers, Ronald & Kimberly Bruemleve Jr. of Jacksonville, FL, and Roger Bruemleve of Elsberry, MO; One sister, Michael (Mike) & Rhonda Powelson of Bowling Green, MO; as well as many aunts, uncles, cousins, and friends.

Welcoming home to heaven was his father, Ronald Bruemleve Sr. We love and miss you, brother.

Per Randy's request, there will be no services. Memorial donations in his name may be made to: The Bruemleve Family, checks made out to Rhonda Powelson, c/o Bibb-Veach Funeral Home and Crematory. All proceeds will be donated to Male Breast Cancer Research.

Hearing the bad news about Randy this morning reminded me of a time he went all out to help me (a guy he'd not seen since our high school days), and a friend of a mine, in 2017.

In September of 2017 I had just transferred from Northern Virginia to Indiana, when my replacement in Virginia at my old office called me talking about a situation with one of our co-workers there in the DC area, Mack Lucas. Mack's parents lived in the Naples FL area, and Hurricane Irma had just blown through. Mack hadn't heard from his parents (in their 80's) for several days, and their phones were out. Mack was understandably worried. It dawned on me that I had IM'd with Randy, and he lived down there. I called him, and after finding out he was ok and mobile, I asked if he knew anyone there who could help or somehow find a way to get to them and check on them. The power was out all across Florida for quite a few days.

Below is the communication chain between Randy and I on FB Messenger that day.

Mack and Ana both worked for me in DC for 7 years. All my folks there were good people and it means a lot to me that you were able to help Mack.

Randy

Me too I'm glad everything worked out
