“ Such fun memories of Richard (and Peggy too) Richard introduced me to the fun of riding snowmobiles I think we rode them every weekend in the winter, I loved it so much I actually bought one from him. I remember taking it home, had my mom climb on the back and when I took off and she flew right off the back - oops! And the great Halloween parties we had in the Morgan building and hayrides through town. Just a few of the fond memories that I have and will stay with me always.

*Richard had a forever smile on his face and a contagious laugh.  
My heart goes out to Peggy, Ricky, and Melissa  
Sending much love~ Laura Straub*
