“ Please accept my sincere condolences for your loss. Sadly, such losses are something we have to deal with ... for now. When it occurs, we all look for a source of comfort as we grieve, help to ease the pain, the sense of emptiness. May you find comfort in these inspired words of Isaiah, “Your dead will live. ... the earth will let those powerless in death come to life.” (Isa.26:19) God has promised us that millions of the dead are alive in His memory and He shows us in His Word how we can hope to see them again in the future in a cleansed earth.
