“ *Bob was one of the nicest residents we had, I enjoy the time we had to talk and share memories. I will always remember the trips we made to Quincy, where Melinda, met up with us. There were many staff would come and see him, and give him hugs. He was the most polite person , always thanking you for every little thing we did for him. I was happy he got to go home and now he has gone to his heavenly home. My prayers go out to his family during this time.*
