“ Memories of elementary school to adulthood of Quentin & Scott together pretty much Monday-Friday all of these years. It will be hard on everyone not being able to see his smiling face. We loved him. We know Scott is resting in peace & tranquility. That is our only consolation. Prayers for his family.

“ Always remember the fun of sharing Scott while my son was in the same grade and the pride on his face when 'walking the promenade' at his h.s. prom. Your smile was always a delight and presence with us in worship. God's speed and God's blessings to all his family and friends that morn his loss and treasure their memories with him!
