“ I was privileged to purchase many rag rugs from Selma at the Heritage Festival in Columbia MO over the years. I gave some of them as gifts and have some still in use here at home. They are as lovely as the day I bought them. I always looked forward to seeing her and her husband at the festival with their looms set up for demonstration. Selma was a sweet "salt of the earth" lady. The world's loss of her is certainly Heaven's gain. I am blessed to have known her. Condolences to her family.
