“ I am so very sorry! I had just talked to Shelley the week before. Wanting to plan with another childhood friend of ours to go out & eat & catch up! I was just devastated when I heard that she had passed. Shelley was such a kind & sweet person. She was also a wonderful friend to have. I know she had been so lonesome since she lost Austin. It was so very sad! She had definitely found her soulmate. Now she is reunited with him again, but it sure is gonna be lonesome for the ones of us who loved her so much! I want to tell her parents & brother, & niece how very sorry I am. And Terrika I know you & momma didn't always see eye to eye. But I know you knew she always had your back & loved you & her grandkids very, very much!💖 RIP my dear friend!💖 Love you & will miss you!💖

“ Shelly was the kindest and most loving person. When she came to pick up her items from my auction site she also took time to talk with me about how we were doing as well as spiritual things. Many times when leaving she would offer an ear on the Personal Message if I ever needed to talk with her. We shared many conversations about a lot of things in both our lives. She was more than just an acquaintance, yet we did not hang out a lot. We always planned to but never did. I am going to miss seeing you Shelly, our conversations and mostly your smile. You had a beautiful smile.
