“ *Deb I am sorry to hear of Steve's passing. He became a good friend during our time in college when we were room mates. I got to college not in a good state. With his help, I turned the corner Chet*

“ *I am so saddened to hear the news of Steve's passing. We shared several classes together through high school. He was an accomplished student. I always enjoyed whenever our paths crossed during my visits to Bowling Green. The last time I saw Steve and Debbie was our 50th class reunion in 2019. His health issues were evident, but his spirit and demeanor were not diminished. He was a dear friend and respected gentleman.
Debbie and Eric, I send my sincere condolences to you on your loss.
Donnie, I extend my sympathy on the passing of your beloved brother.
