“ *I am SO sorry to hear about Steve. I have been out town and just found out through a letter from the State Farm Agency. I will always remember how friendly he was when I went in the office to talk about my policies. He was so cordial that it seemed I was the only client that he had that day. There wasn't anything that he wouldn't do for his clients to help them and keep them satisfied. I guess that is why he had such a long track record with State Farm. He will be sorely missed by all of us and I know especially by his family, who were so dear to him. God bless you and give you comfort in this deep time of sorrow! Sincerely, Joyce and Ted Hummel ~ Bowling Green MO*
