“ Many many prayers to the Norton Family! I have many fond memories of Steve! He was always happy and so much fun to be around! I also remember when him and I were the flower girl and ring barer at Beverly and David's wedding. We were so little! RIP my friend!

“ My sympathies go out to the family during this time and my prayers are with you.

While I hadn't seen Steve since High School, I am thankful, we connected a couple years ago on messenger and both said we needed to get together some time, but sadly we never did. However, I will never forget the things we did in high school, FFA trips, and just bumming around. I will most remember going to the movies and watching "Stripes" and laughing so hard that I actually hurt the next day. Steve was a great friend and always fun to be around, and I will never forget him. I will look forward to meeting up with him in Heaven and enjoying those laughs once again.
