“ Sis always had a smile and was happy. We had many good times at her house with Carol and Thelma Jean, after ballgames and date nights. She was a good cook and worked hard helping Steve and taking care of her family. I'm sure she will be missed at Sugar Creek too. Prayers and condolences to all the family. Barbara & Bill Peasel

“ I was sorry to learn of the death of Sis Woods. It has been many years since I have seen her, but in the middle 1960's when I was working with the Silex Presbyterian Church, I was a guest in her home. Her mother Gertie Coose was present, and if I am not mistaken, she was an early member, if not charter member of the Silex Church. Her daughter Thelma Jean Buchanan had long associations with people in the Louisiana area. When she married her husband, I had the wedding and also funerals in the family. My sympathy to the family and best wishes. D. Randall Cone, Louisiana

“ My sincerest sympathy and prayers to each and every friend and family member. Sis was a wonderful neighbor and a true friend. She was so kind and thoughtful and such an inspiration to me. I will never forget our talks on her front porch especially when she told me about her childhood and her courtship with Steve, she had great stories that I always enjoyed. She had a real zest for life and such love for her family, she will be truly missed.
