“ Tim taught me so many lessons in life. His love for god and music overflowed onto his kids and myself. Because of him I spent endless hours surrounded by love, gospel, and good people. Later in life I'd continue to enjoy dancing to his band with Rebecca. He was such a great father that he was able to become a father figure for so many other young souls outside of his own flesh. Tim Brown will continue to live strong inside all of us.

Good Man whose love of music was always evident. Played many years at the Jennings Opry and was loved by all. We so enjoyed Tim and his children that he often brought along with him opry nights. He will be missed and our sympathy to all who loved him! Marvin & Barb Jennings
