“ My wonderful Aunt Verline, I will never forget how you guided me through my childhood into becoming a teenager and how you were there for me when I decided to marry at 15 as you did... I am who I am today because of your loving had of guidance, patience and love! You have always been a big part of my life and even though I didn't get to see you in a very long time, you have been in my thoughts and prayers. I will never forget what you told me when I lost my beautiful boy and how you helped me get through it with your words of wisdom that day on the phone as we talked and caught up for hours! You are embedded in my soul and will walk with me by my side until the day that I take my last breathe!

Gaycinda Feather Rose, Your loving niece! Take care of my boy and bring him to me in my dreams so I can visit with you both and know that you are there with him! I will never forget everything you taught me!! I love you with all of my heart and soul!

“ Verline was the sweetest lady anyone could have the pleasure of knowing. I met her when I was one of Lencie's nurses at Smith Barr. She was a devoted wife to Lencie ,always had a smile on her face. I will always love her and have her memory in my heart. My prayers and thoughts are with the family. I know she is in heaven with God now and all her pain is gone. Rest in peace my dear friend.
