“ We truly LOVED Verna. I remember when she had applied for unemployment benefits and asked me to sign that she had applied for a job at Pizza Plus. I called her a few days later saying I was with the division of employment security. Told her she had to report to Pizza Plus the next day at 4pm to start work as a dish washer. If she didn't she would not be able to collect unemployment. She was petrified until she found out it was me at Pizza Plus. She had a wonderful personality that was uniquely Verna. May the good Lord smile with her as much as We Did!
