“ *Bill and Betty were great friends. We shared many coffee times at Crystals, then at Wednesdays at Dos Primos and for many years New Year's Eve suppers with several couples. We also had several trips with other friends to Illinois to eat Rocky Mountain Oysters and trips to different areas. Miss them both a lot.*

“ I so enjoyed my time with Bill and Betty at Dos Primos on Wednesdays, visiting, telling stories, celebrating birthdays and enjoying their great food with some of our friends. I know Bill was so grateful to have his dedicated daughter, Debbie by his side. It is so great that Debbie is a nurse. Knew his needs and met them. Thank you Debbie and your sons and their wives for being there. I know Bill loved his time with you and the family. So sorry for your loss. So glad we have these memories.
