“ Amy, I am sorry to read this. I know he has struggled for a while now and he meant so very much to you. I remember you and I talking a lot at work and all the fond memories you shared with me. He had to be a special man to have such a good friend of mine's heart. I miss seeing you and I think of you often. Praying for you during this difficult time. (Melissa Tull aka Beasley)

Boots and I recorded a lot of crazy commercials at KPCR for Crossroads back in the day. I also remember our Chamber trip to the prison at Cameron before NECC came here. Very sorry for your loss. I always liked Boots a lot.
